EXPERIENCE
FONDAZIONE

La **Fondazione Experience** nasce per promuovere la ricerca tecnologica e scientifica attraverso attività di coworking, seminari, eventi e momenti di formazione. La **Fondazione Experience**, partendo dallo spazio fisico di **Campus X**, intende progettare, raccogliere e far emergere idee, progetti e nuove realtà per poi consegnarli alla collettività. Organizziamo diversi tipi di eventi, da progetti legati alla community a quelli corporate, con l'obiettivo di promuovere innovazione, tecnologia e creatività. Gli spazi di coworking **Campus X** sono pensati per permettere alla nostra community di collaborare, connettersi e raggiungere i propri obiettivi.

The Experience Foundation was created to promote technology and scientific research through coworking, seminars, events and training sessions. **The Experience Foundation**, starting from the physical space of **Campus X**, intends to plan, collect and bring out ideas, projects and new realities, in order to deliver them to the community. We organize different types of events, from projects linked to the community to corporate ones, with the aim of promoting innovation, technology and creativity. **Campus X** coworking spaces are designed to allow our community members to collaborate, connect and achieve their goals.
